

BY-LAWS AND GENERAL REGULATIONS

Changes have been made to the 1980 Code of Laws, now known as the 2000 Code. These Laws shall only apply, however, where official umpires have been appointed in Senior Leagues. In leagues below this, refer to general provisions for exclusion of penalty extras.

1. DEFINITIONS

See page preceding Code of Behaviour.

2. LEAGUE ENTRIES

2.1. Dispatch of Entry Forms

League entry forms are posted to the latest address of the club contact person (chairperson/secretary) in the records of the GCB at the time of posting. The forms are usually posted at the beginning of July each year. No responsibility can be accepted for non-receipt of league entry forms in cases where addresses/telephone/telefax information has been changed without notifying the Board.

2.2. Completion of Entry Forms

All League entry forms shall be completed and returned to the GCB by not later than the closing date stated on the entry forms. The prescribed entry fee shall accompany the form, which will not be considered as having been accepted without the entry fee.

2.3. Late Entries

Under **NO CIRCUMSTANCES** whatsoever will late entries be accepted.

2.4. New Entrants

Attention is drawn to the fact that acceptance of new entrants to the leagues is dependent upon these clubs having a ground, and at least two teams, unless otherwise decided by the GCB.

2.5. Refusal of entry to competition

The Board may in its absolute discretion refuse the entry of any team to any competition.

3. CLUB ADDRESSES AND TELEPHONE/TELEFAX/E-MAIL NUMBERS

3.1. Clubs are requested to notify the GCB offices of any change in contact person, address, telephone, e-mail or telefax number. It is vital that accurate information appears in the Blue Book, and that the GCB's records are kept up to date (see 2.1).

3.2. Errors and Omissions - Clubs are requested to check the details in the Blue Book concerning their club, and advise the GCB of any errors or omissions that may have occurred.

4. COMMUNICATION IN GENERAL

Clubs are encouraged, wherever feasible or appropriate, to telefax information, to the Board, 0113401565 /0117881106 or e-mail to sherina@cricketgauteng.co.za

5. CONTACTING CLUBS

It is the responsibility of all clubs to contact one another **no fewer than 4 days** before a match to ensure that all arrangements for the match, meals included, are understood (see 19). No excuse will be accepted for the failure of a team to find a ground on which a match is scheduled to be played. A ground locality schedule is included in this Blue Book.

6. LEAGUE COMPETITIONS - FIXTURES

6.1. Arranging of Fixtures

At least 14 days before the commencement of the season, the Board shall arrange the composition of the leagues, the teams competing in them and the dates of matches in the various competitions.

6.2. Prohibition on Alteration/Postponement of Fixtures

6.2.1. The dates and venues of matches as drawn and set out in the Blue Book and those drawn according to the provisions of 6.1 shall not be altered or postponed without the prior consent of the Board. In the case where on the day of the match, conditions are unfavourable for play at the scheduled ground, the fixture may be moved to another available, suitable ground *within the same complex*. an exception will be made in the case of Tertiary Institutions whose grounds are situated in a number of places not necessary in the same complex, eg a Wits university game scheduled for a JCE field, may be moved to the Milner Park / Sturrock Park complex and vice versa. However, under no circumstances may a game be moved to the away team's grounds. Where official umpires are present, their consent shall also be required.

6.2.2. No club shall be entitled to claim **postponement** of any fixture, but the Board may, at its discretion, grant a postponement in those cases considered advisable. In any event, postponements shall be agreed to by the Board only if a written, well-motivated application is made.

6.2.3. The application for postponement, which shall be lodged at the Board's offices at **least 7 days** before the date of the scheduled fixture, shall state the teams playing the match, the league in which it is drawn, the original scheduled date and venue, and the proposed date for the re-arranged fixture. The application may take the form of one or more letters, telefaxes or e-mail provided that the letters are signed by authorised officials of the relevant clubs.

6.2.4. The GCB will inform both clubs of its decision on the application for the alteration/postponement of the fixture.

6.2.5. It is the responsibility of the home club to inform the Administrator of Umpiring, Joyce Boyack, of the alteration/postponement granted in terms of 6.2.4. She may be reached on 340-1559 (Work), 8806229 (Fax), 083 212 0977(Cell) or umpires@cricketgauteng.co.za (e-mail)

6.3. Permission not granted

In the event of the Board's refusal to grant permission for a postponement and the match fails to take place as scheduled, the matter shall be dealt with in terms of 6.4.

6.4. Team Defaults in Fulfilling Fixture

Matches conceded by default shall be recorded as played. (See penalty provisions under 22.2).

6.5. Three Defaults by Team or Withdrawal from Competition

If a team defaults on 3 occasions during the season, it will be expelled from the competition. In this case and the case of a team that is withdrawn from a competition by its club, the record of the team shall be expunged from the log and the club shall forfeit the team's right or privilege to participate in a distribution of league or other sponsorship funds. In either event the Board may impose a fine of up to R500.

A team that has been either expelled or withdrawn from a competition shall have no right to re-instatement to the competition the following season. Any re-instatement shall be at the Board's discretion (see 2.5).

7. TRANSFERS

7.1. Transfers

Any player wishing to transfer from one club to another *at any time* (during or out of season) shall make written application to his club for its approval which will then be forwarded to the Board. Unless otherwise permitted by the Board, a player so transferring shall not play for his new club until the expiry of **14 days** from the date of receipt by the club of the approval of the GCB which may be conveyed either by letter or telefax. A breach of this rule shall be subject to penalties (see 22.5).

7.2. Clearance Certificate required to Transfer

No club shall be entitled to admit as a playing member any person who has previously played for another club in any competition organised by the Board, or any other provincial union, without first obtaining a clearance certificate from the other club or union. The clearance certificate shall state that the member applying for admission is in good standing and not financially indebted to that club. A club shall not unreasonably withhold the issuing of a clearance certificate. A clearance certificate is required irrespective of whether the transfer takes place in or out of season.

7.3. Transfer of players – Area Structures

Notwithstanding the provisions of 7.1 and 7.2, the Board may at its sole discretion, permit a player registered with a non-premier league club ("the feeder club") to play for a premier league club ("Premier Club")

In granting its consent in terms hereof, the Board may stipulate such terms and conditions with regard to the dual club membership, grants and subsidies as shall be appropriate in the circumstances.

In the event of a player from a feeder club playing for a premier league club, the premier club shall be entitled, at the sole discretion of Board to loan a player registered with it to the feeder club for the loss of the feeder club's player. The Board may in granting consent stipulate such terms and conditions with regard to the dual club membership, grants and subsidies as shall be appropriate in the circumstances.

Note : The objective of this by-law is to encourage feeder clubs to give impetus to the transformation process and to offer opportunities to young and talented players to play at a higher level without forfeiting membership of the feeder club. The implementation of this by-law will be monitored and dual club membership will not be permitted if the Board considers that the objectives of the Board are not being complied with.

PLAYING FOR A CLUB WHILST REGISTERED WITH ANOTHER PROVINCIAL UNION

No player shall be allowed to play for a club affiliated to the Board while he is registered with or playing for a club affiliated to another provincial union. A breach of this rule shall be subject to penalties (see 22.6).

8. PLAYING FOR MORE THAN ONE CLUB

Subject to the provisions of 7.3 with regard to special dispensation, if a player plays for different clubs in Saturday and Sunday competitions, both clubs shall inform the Board in writing of the arrangement and shall acknowledge that they are fully aware of the terms of such arrangements. Nevertheless, the approval of the GCB shall first be obtained. A breach of this rule shall be subject to penalties (see 22.7).

9. DEMOTIONS

9.1. Restriction on Provincial Players

No current Gauteng Provincial cricketer, i.e. a player who has played provincial cricket during the previous **12 months**, shall play in any competition below Senior Leagues without the prior consent of the Board. Any provincial player who normally appeared in the PREM league the previous season and who transfers to a lower league club, will prejudice his chances of selection for the Provincial senior team.

9.2. Restriction on all Players

In all instances, clubs with more than one team in competitions may demote players from a higher league to a lower league, provided that no player shall be allowed to play in a lower league after playing **4 or more consecutive matches** in a higher league without the consent of the Board. For the purpose of this ruling, the Saturday and Sunday competitions are considered entirely separate. A player in Saturday leagues may play in a higher or lower league in the Sunday leagues, and vice versa. Provided that the Board shall in the circumstances envisaged by 7.3 permit the Promotion / demotion of players.

It is not the intention of the Board to inhibit the natural demotion of players losing form, but it is in the interests of the clubs to consult the Board in order to avoid disputes and unpleasantness arising from demotions. A breach of this rule shall be subject to penalties (see 22.8).

10. OBLIGATION OF PLAYERS TO THE BOARD

10.1. Restriction on Player during Representative Match

No player selected for any representative match arranged by the Board - i.e. provincial, international or any other special match, including inter-zonal matches, may on a rest day during such match, take part in any form of organised or representative sport without the prior consent of the Board.

10.2. No Provincial Cricketer to play outside Area of Jurisdiction

No current Gauteng Provincial cricketer shall play in matches in areas outside the jurisdiction of the Board at any time during the season without the prior consent of the Board.

11. PROVINCIAL QUALIFICATIONS

An overseas professional is defined as a cricketer neither born in, nor a permanent resident of South Africa and who has played the majority of his cricket in a country other than South Africa and has been remunerated directly for his services as a full-time cricketer in such country.

12.2. Consent of Board required

Any club shall be entitled to play one overseas professional, as defined in 12.1 above, in a league team, after the prior consent of the Board has been obtained. The Board may in particular circumstances permit certain clubs to field more than one overseas professional per team.

12.3. Penalties if Consent not obtained

If a club fails to comply with 12.2 above, it shall be liable automatically to a penalty (see 22.9).

13. GROUNDS AND PITCHES

13.1. Local Council Grounds

Clubs allocated local council grounds are responsible for the care, maintenance, preparation and marking of the pitch, and for the demarcation of the boundary. **This is *not* the responsibility of the GCB or the local council.** The responsibility of the local council is limited to the maintenance of the outfield.

13.2. Clubs sharing Grounds

Clubs sharing local council grounds are responsible for making mutually acceptable arrangements for the upkeep of their pitch.

13.3. Correct and Adequate Marking of Pitches

It is the responsibility of the host club to ensure that the pitch upon which it is to play is properly and adequately marked, including the marks for the danger area, and the wide delivery marks when a limited overs competition is to be played. A diagram showing the correct markings and dimensions is given at the end of the Blue Book. Umpires are to report incorrectly or inadequately marked pitches to the GCB for the appropriate action to be taken.

13.3.1. Boundaries - Refer Law 19 in CODE 2000

19.1 The boundary of the field of play

- a) Before the toss, the umpires shall agree the boundary of the field of play with both captains. The boundary shall if possible be marked along its whole length
- b) The boundary shall be agreed so that no part of any sight-screen is within the field of play
- c) An obstacle or person within the field of play shall not be regarded as a boundary unless so decided by the umpires before the toss. See Law 3.4ii (to inform captains and scorers)

19.2 Defining the boundary – boundary marking

- a) Wherever practicable the boundary shall be marked by means of a white line or a rope laid along the ground
- b) If the boundary is marked by a white line,
 - i. the inside edge of the line shall be the boundary edge

- II. a flag, post or board used merely to highlight the position of a line marked on the ground must be placed outside the boundary edge and is not itself to be regarded as defining or making the boundary. Note, however, the provisions of (c) below.
- c) If a solid object is used to mark the boundary, it must have an edge or a line to constitute the boundary edge.
 - I. For a rope, which includes any similar object of curved cross section lying on the ground, the boundary edge will be the line formed by the innermost points of the rope along its length
 - II. For a fence, which includes any similar object in contact with the ground, but with a flat surface projecting above the ground, the boundary edge will be the base line of the fence.
 - d) If the boundary edge is not defined as in (b) or (c) above, the umpires and captains must agree, before the toss, what line will be the boundary edge. Where there is no physical marker for a section of boundary, the boundary edge shall be the imaginary straight line joining the two nearest marked points of the boundary edge
 - e) If a solid object used to mark the boundary is disturbed for any reason during play, then if possible it shall be restored to its original position as soon as the ball is dead. If this is not possible, then
 - I. if some part of the fence or other marker has come within the field of play, that portion is to be removed from the field of play as soon as the ball is dead.
 - II. The line where the base of the fence or marker originally stood shall define the boundary edge.

13.3.2. Marking of Boundaries

The boundaries of the playing area must be adequately marked so that there can be no confusion as to the position of the line of the boundary. Umpires are to report inadequately marked boundaries to the GCB for the appropriate action to be taken.

13.3.3. Astro Turf Pitches

Certain clubs are equipped with Astro turf pitches. Players are instructed **NOT** to wear spiked boots when playing on these surfaces as serious damage is caused which leads to considerable expense in carrying out repairs. Any player or club that wilfully damages an Astro turf pitch will be held liable for the costs of repair or replacement.

Every attempt has been made to indicate the whereabouts of Astro turf pitches in the fixtures lists that appear in the Blue Book. Clubs should note the foregoing when approaching their weekly fixtures. Refer 5

If, however, the captain of the fielding side chooses to use a used ball, the umpires and the captain of the batting side must be informed and the ball shown to them for their approval. Should the captain of the batting side not approve of the used ball, either a new ball or another used ball, which is mutually acceptable, must be used.

17.4. Supply of used balls

The **home** team shall have a supply of used balls available to enable a ball lost or unfit for play to be replaced.

Clubs are reminded that Law 42 "Spirit of the game" shall at all times be adhered to and any team found to be in breach of this law, shall be subject to any penalty which the Board / Disciplinary committee may decide to impose.
